

# Suki Introduction Video Transcription

**Edward:** Suki, play nice just for a little bit

**Cheylea:** *[laughs]*

**Edward:** *[laughs]*

**Cheylea:** Who's Suki?

**Edward:** Suki is this tiny little ginger cat here. She's a rare little lady, ginger cats normally being boys...oops climbing up on my shoulder.

**Cheylea:** On a scale of one to ten, how cuddly is Suki?

**Edward:** Normally she's an eight, but at the moment we woke her up so she's very uncuddly right now.

**Cheylea:** *[laughs]* What's Suki's favourite food?

**Edward:** Uhhh...big bits of chicken from KFC and any other human food she can get hold of

**Cheylea:** *[laughs]* And what's your favourite name for Suki?

**Edward:** Well, I call her princess baby angel or bubba or just angel cakes. But, she responds to anything.

**Cheylea:** And if you could say one more thing about Suki what would it be?

**Edward:** That she's very very small...and a bit dumb. *[laughs]* She's a good girl, she's a good girl.
